Community Group Questions

- 1. Ice Breaker: It can be incredibly difficult to fit into someone else's plans. Share a story when you had basically no input in what was planned and how you dealt with it.**
- 2. After listening to this sermon, what unanswered questions do you still have?** Share them with the group and have your CG leaders text them to Pastor Michael, Tim, or Craig.
- 3. Some people might have a problem with God's plan as they read the unfolding of this plan in Genesis 2 and 3. At first look, it feels like God set up Adam and Eve.**
 1. Surmise why God would put two trees in the Garden of Eden and then told Adam to never eat from one tree specifically?
 2. Surmise why God would allow the serpent in His Garden? How do you think God would explain this?
 3. Was this a setup? Why or why not? If so, what does this tell us about God? If not, what does this tell us about God?
- 4. What do we know about the trees? Make a list of everything you think you know about the two trees God planted in Eden.**
 1. Clue: Check out Genesis 3:22-24, Revelation 2:7, and Revelation 22.
- 5. How did God use this message to teach, train, challenge, equip, or encourage you?**

Prayer Focus: Pray that we get a field for the Eggstravaganza that will accommodate all that we want to do and help us be a light to the community.
